

23 March 2020
Good morning 862!

I hope that you are all healthy and well. I know that this is a very difficult time for everyone, but please know that it is extremely important that we abide by the guidelines put out by the government and the health unit.

In order to keep some semblance of cadet routine, the seniors will be making weekly calls on Monday evenings. Each week they will be tasking cadets with a new "challenge". We hope that these challenges will enable the squadron to keep in contact, to continue their comraderie and esprit de corps and the team building and commitment they have worked on since joining.

Parents: I ask that you help us with this, by encouraging your cadet(s) to participate and be as involved as possible.

Cadets: Remember to be available Monday evenings for a brief call from your Senior Cadets to go over weekly announcements and questions. It is important to take this time and answer these questions, as they are to report back to me once all calls have been made. I also encourage you to have fun and participate with the weekly challenges. They will be for your benefit and will motivate you in this time of isolation. The virus WILL pass and we WILL be getting back to normal cadet functions/routines and these challenges will help when that time comes.

Thank you all, for your continued dedication, motivation and support. 862 Lambeth Lightning RCACS is a success because of each of you.

If you have any questions, concerns or ideas to help with weekly "challenges" please let your seniors know when they contact you.

Also, as Mrs McGill stated in the Remind notice, we continue to do our fundraiser of Purdy's Chocolates. Arrangements will be made to deliver your order in a safe/secure manner within the guidelines set out for social distancing.

As always,

Capt Susan C Graystone
Commanding Officer
862 Lambeth Lightning RCACS
